General Comment

Horrible Idea!!!! While the proposed regulations will not affect me much (my savings have already been destroyed by the economy), this will hit so many Americans in a negative way that folks are going to remember the text of the Declaration of Independence...

That Governments are instituted among Men, deriving their just powers from the consent of the governed, That Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government...

Its hard to put down a revolt with 99% of the people in favor of it.
